Tammy Glenn - Interim Clerk

Wayne County - Building Inspector

September 27, 2018

Dear Spring Grove Residents:

The Town Board is again providing bags for your leaf removal. We have contracted with Richmond Sanitary District to provide roll-offs for your use November 7th - 9th for your bagged leaves and yard waste. Those locations are:

1. End of Linda Lane
2. Parking lot at Quaker Hill Conference Center.
3. End of North Drive
4. "T" of Sunset, Clifton & Bon Aire
5. End of Bon Aire at top of hill

The Richmond Street Department *may be picking up loose leaves that are raked to the curb in Spring Grove this year in the areas of: Waterfall Rd., Spring Grove Heights, Linda Lane, Sylvan Nook, and Oak Drive. No dates have been finalized as of yet. Check the paper or social media for times as they usually start near the end of October.*

Spring Grove now has a web site and minutes of our monthly meetings are posted there along with an events calendar and brief history of our area. Visit us at springgroveindiana.com.

Since cold weather is approaching, please be reminded that **Spring Grove has an ordinance that prohibits the construction and use of outside wood-burning furnaces.** Presently all former wood-burning furnaces in Spring Grove have been removed.

Thanks again for your help in making Spring Grove a better community.

Spring Grove Town Board
